

Rovsing

19 October 2018

Announcement no. 283

Change in number of shares and votes in Rovsing A/S

The registered number of shares and votes in Rovsing A/S (Rovsing) has today been increased with 4.210.349 shares. The increase is due to a first conversion of a convertible credit facility, issued pursuant to the Convertible Credit Facility agreement that Rovsing entered into with Formue Nord Markedsneutral A/S on 21 March 2018 - reference is made to Announcement no 275 New credit line.

Following the capital increase, the registered number of shares and votes in Rovsing amounts to 409.064.804.

Please refer to section link on Rovsing website for further information on the Convertible Credit Facility.
